Dear _____ (Rep's Name, Vendor Name),

As president of FSIPP (Florida Society of Interventional Pain Physicians), I would like to invite you to participate in a very exciting opportunity. FSIPP has a web site, <http://flsipp.org>, as well as an email quarterly newsletter that are now open for commercial advertisements.

This opportunity gives your company exposure to pain management physicians all over the state. Our web site serves as a vital source of ongoing information about interventional pain medicine within the state of Florida. Our quarterly email newsletter is distributed to over 300 Florida pain management physicians. For your convenience I have attached a copy of the past newsletter for your review. Please see advertising price lists below.

I am sure that you will agree that this is an amazing, unique opportunity that you do not want to miss. This will place your company, product, or service at eye level with the state's leading pain physicians!!!!

Thank you for your consideration. To place an ad or sponsor the website, please contact FSIPP Executive Director, Lorry Davis, 904 270 8886, info@flsipp.org.

Lora L. Brown, M.D., P.A.
