

Florida Society of Interventional Pain Physicians

FSIPP ANNUAL MEETING

July 24 – 26, 2009, Boca Raton Resort

FSIPP's first annual meeting with a separate lecture series and a freestanding exhibit hall

FSIPP is THE voice for interventional pain physicians. We continue to advocate for the health of your patients and your profession. FSIPP was a leader in getting the Prescription Drug Monitoring Legislation passed in Florida. We continue to educate payors regarding the procedures we perform as well as continue to advocate for your reimbursement for these procedures. We need to get together, network, communicate, and realize our strength in numbers.

FSIPP has brought national and world experts in the field of IPM for the following lecture series at Annual Meeting!!

Intrathecal Drug Delivery – Timothy R Deer MD DABPM

Opioid Interactions and New Opioids – Sanford M Silverman MD

Neuroanatomy for Spinal Cord Stimulation – Giancarlo Barolat MD
